WE'RE READY TO BUILD!

Habitat Cape May County and its partner families anxiously await permits to begin building our next house. The house will be constructed on a beautiful big lot we purchased on Cochran Street in Whitesboro.

Mike McGurk, a Cape May County builder, will take the lead as building supervisor for the project. "I'm hoping we can get the house framed and covered before the cold weather sets in," Mike said, "so we're going to need a lot of help."

The Habitat lot on Cochran St. is cleared and ready for a house.

Kevin Young, Wildwood Crest architect, readied the house plans. Mark Gibson, S. Seaville engineer, surveyed and designed

FALL 2004

the septic system. Many thanks to Mark and Kevin and to all who have raised and donated money to enable us to buy land.

STURDY SAVINGS LEADS SEPTEMBER 21 GOLF TOURNAMENT

Sturdy Savings Bank has once again taken the lead in organizing and running

This office in Dennisville is one of Sturdy's many locations in the county.

Habitat's Annual Golf Tournament. This year the tournament will be held on Tuesday, September 21st at Cape May National Golf Course. John W. Miller and Joanne Gray have headed up Sturdy's effort. Registration for the tournament begins at 11:30 am. There will be a shotgun start at 1 pm. Box lunches, a

buffet dinner and a multitude of prizes will be provided. For more information, call John Miller or Joanne Gray at 463-5250. Thanks Sturdy!

HABITAT'S LOOKING FOR SITE DEVELOPMENT PEOPLE

Habitat Cape May County's Site Development committee, formerly the Site Selection committee, is looking for persons with site development interest and skills. Because buildable land is becoming more and more difficult for us (and everyone else) to obtain, we need to be more creative and more skillful in our pursuit of land on which to build Habitat homes.

We are hoping to find experts in the area such as a building inspector, an engineer, a real estate attorney, a surveyor, among others to help us with our mission. To volunteer or for more information, call 463-0244 and ask to speak to Jim Sorenson.

BOARD DEVELOPS ORIENTATION PACKET FOR NEW MEMBERS

In preparation for expanding the size of our Board, current Board members are working on an orientation packet for new Board members. "We're thinking the information in this packet will give new members the data they need to get up and running quickly," said Board president Joann Ireland.

Board member Virginia Chester and vice president Kathie Steiger review content of the new packet.
