Hold the date! Habitat's annual dinner is planned for Wednesday, April 27th at Atkinson's in Cape May Court House (near the Inspection Station). Kathie Steiger, Board vice president, will again chair the event. Details and invitation will follow.

Habitat Cape May County is proud to be a United Way agency.

Cape May County **Board of Realtors** **Raises \$4,430**

Many thanks to the Cape May County Board of Realtors. The Board raised \$4,430 for Habitat at its Community Service committee's annual fund raiser for Habitat. The dinner was held in February and attended by many real estate professionals and Habitat supporters. Long time friend of Habitat, Andrea Reu of Sea Isle Realty, spearheaded the effort. We are grateful for the ongoing support of Habitat by the county's real estate community.

Habitat Remembers The Rev. John Long

The Rev. John Long, well known Methodist clergyman and long time Habitat Cape May county Board member, died in January. John was one of the original group of eight who established the Habitat affiliate in this county. He faithfully opened our meetings with prayer for many years and then supported our work with prayers and rifts when he was no longer able to attend meetings. John was given the 2004 Extraordinary Volunteer award. He and his wife Eleanor lived in the S. Seaville Camp Meeting grounds and were members of the S. Seaville United Methodist Church. Our sympathy goes out to Eleanor and to their family. John, we miss you!!
