Habitat Needs Volunteers For Several Committees Can You Help??

We're in need of volunteers, men or women, teenagers on up, to help staff our committees. Are you interested?

Budget and Finance committee is looking for people with skills in developing budgets and managing and reporting on money matters.

Family Selection and Nurturing committee would like to identify caring and supportive people to work with our families in their new roles as homeowners.

Public Relations committee is hoping to find a few more speakers (we have pictures, brochures and other handouts), and persons with media savvy.

Site Selection committee needs people with knowledge and skills relating to real estate and lot buildability. Finding land to build on is our biggest difficulty now.

Volunteer Coordination committee is looking for people to cultivate volunteers and see that each is placed in an appropriate committee or group in the organization. Good listening skills and excellent follow through are important.

Can you see yourself on one of our committees? Please call us at 463-0244.

We're proud to be a United Way Agency.
